#### TERMS & CONDITIONS:

Please check you are available to attend all classes as no refunds will be given. There will be no "make-up" lessons or credits if you miss your lesson on your selected day. Cancellations must be made one week prior to the first scheduled class in order to receive a credit for the term. A refund will only be given where a student withdraws prior to course commencement due to a serious illness, injury or disability that prevents them from attending (medical certificate required). After the start of the course a pro-rata credit may be considered for serious medical reasons ONLY (medical certificate required and notice must be given within 14 days from date of injury). An administration/cancellation fee of \$30 will apply in all the above circumstances. THERE ARE NO OTHER GROUNDS FOR REFUNDS. Lost or stolen membership cards incur a replacement fee of \$30. If you change your chosen enrolment day after your first lesson an administration fee of \$30 applies.

All customers joining any CIA program will become a member in our POS system. A profile will be created for each member so we can keep track of your skating progress, and be able to contact you. Once customers become a financial member (fees paid in full), they will receive the first membership card, complimentary on sign up. There will be no complimentary cards if you quit and return to sign up for another program at a later time in the future. The membership system will remember your unique identification number attached to your name. Lost or stolen swipe cards will incur a \$30 replacement fee. Members are encouraged not to lose, throw out, break, punch holes in or destroy their cards as there will be a \$30 replacement fee charged for a new card to cover the cost of the new card, coding and labour required to make alterations to your profile to cancel your previous card so no one else can use it. When re-enrolling for any CIA program, the card will be updated by CIA staff with new term dates for access, once you have paid your fees in full. Outside of the term dates you have paid for, your membership will become "un-financial" on our member system and an alarm will sound if you attempt to gain access to sessions outside of the term dates, unless you have purchased a holiday pass. Holiday passes are available for Autumn, Winter and Spring term breaks. Summer school gives access to the long summer holidays. Please see the section regarding holiday passes for more info. To gain access to the ice for classes or general sessions please swipe at the computer with the blue screen, where your name will come up on the screen as it logs your attendance. Please also show this card to get rental skates, or a skate hire attendant may send you back to reception to get a token. For any further information please see one of our receptionists.
